TECHNOLOGIES

ANTI-FOG
Equipped with an anti-fog treatment to increase wearer visibility when active and in a variety of conditions.

ANTI-INTRUSION GUARDS
Highly comfortable polyurethane foam protects against dust, liquids and chemical splashes.

DRIP PROOF UPPER CONTOUR
Rubber edge protects eyes from liquid and debris from entering the visor.

PANORAMIC LENS
Developed to maximize visibility with minimal viewing distortion.

COMPATIBLE WITH GLASSES
Designed for use over corrective glasses.

ABRASION AND SCRATCH RESISTANCE
Lens treatment designed with protection from abrasion and scratches or increased durability and viewing clarity.

EASY CLICK VISOR ADAPTERS
Requires Easy Click Visor Adaptors to attach to helmet.

ADDITIONAL INFORMATION

GUARANTEE
3 years starting from the date of purchase.

LIFE SPAN
10 years starting from the date of manufacture. Life span depends on various factors that can cause deterioration such as sudden temperature changes, the amount of exposure to direct sunlight and the intensity of use. Altered vision and scratches are elements that signal the need to check for deterioration of the visor.

CLEANING
Clean only with water and mild soap. Allow to air dry. Do not use chemical detergents, solvents, petrol powders as they are too aggressive and could lower the structural resistance of the visor.
